

UNIVERSITY OF MINNESOTA EXTENSION

CROW WING COUNTY MASTER GARDENER VOLUNTEER PROGRAM

G101 Gardening for Youth

Kids ages 8 -15

Grow your own food!

Learn gardening basics from local U of MN Extension Master Gardeners. We'll show you how to plan, plant, harvest, and eat what you grow. The class will give you "hands-on" instruction and plenty of time to work at your own garden plot. (Warning: a little weeding may be involved!)

Classes are held at the Northland Arboretum
Wednesdays – June 8 – August 31, 2022
9:30 am – 11:00 am

Additional planning meeting prior to June 8, and garden clean-up / harvest Saturday mornings in September or October depending upon first frost.

Cost: \$35.00 for a 3' x 16' garden plot, instructional materials, seeds, plants and lots of fun!

Call the Arboretum at 218 829-8770 to register. Space is limited. Advance registration is requested. Payment is due at registration. Class fee is non-refundable.
